

THE CITY OF SAN DIEGO
COUNCILMEMBER SCOTT SHERMAN
SEVENTH DISTRICT

This is a friendly reminder from San Diego City Councilmember Scott Sherman to be aware that you are parking in a residential neighborhood. Please be courteous to the neighbors in the area by not speeding, blocking driveways, or littering. If you are visiting Kaiser Permanente, please be aware that there is ample FREE parking on-site or through their FREE valet parking service. If you are a Kaiser Permanente employee, nursing student, or contracted employee please refer to your employee manual on appropriate parking locations.

Sincerely,

Councilmember Scott Sherman
